

Francis Marion University in Florence, SC, Features Works by Colin McNaught

The Francis Marion University in Florence, SC, will present an exhibit of works by Charleston, SC, artist, Colin McNaught, on view in the Adele Kassab Gallery in the Hyman Fine Arts Center, from Oct. 3 through Nov. 9, 2017.

McNaught's large, bold abstract painting *Sia Fleodradh Cearnagan* captured the interest of Francis Marion's art faculty at ArtFields in 2016. In an era when realism seems to dominate, McNaught's work was selected as a great example of abstract painting to share with the Francis Marion community.

McNaught is a native of Scotland who received both graduate and undergraduate degrees at the Glasgow School of Art, where he received the Cargill Award. After graduation he worked as a town artist in a planned community and started a clothing business that imported clothing from the USA before relocating to the
