message is one of environmental awareness and the interconnectedness of all things. **Oct. 3 - 28** - "Bold Whispers," featuring works by Eric Benjamin and Michelle Jardines. A reception will be held on Oct. 6, from 6-8pm. While the artists differ in their approach to the painting medium, Benjamin and Jardines share a love for bold color and find inspiration in the vibrant hues and dynamic textures they observe in the natural world. Benjamin often employs a rich and saturated color palette, infusing his landscapes with a sense of energy and vitality. His brushstrokes are confident and expressive, capturing the essence of a moment in time. Jardines embraces a looser painting technique, combining blended and gestural brushwork to convey the moody and ever-shifting nature of the landscape. **Ongoing** - Art & Light Gallery is a woman owned and operated fine art gallery that has been bringing incredible artistic talent to novice and seasoned collectors alike since 2007.
