Also included in this exhibition are works from his series "Hearts and Minds" where Sims has captured images of young men and teenagers at the "Virtual Army Experience", a traveling road show and recruiting event the US Army takes cross-country to NASCAR races and air shows. Participants wait in line to enter a large tent, where they play video games produced by the army and meet decorated soldiers who have returned from service at the fronts in Iraq and Afghanistan. **Through Jan. 3** - "Lori Larusso: Homefront". The exhibition presents her beautiful and brightly colored, shaped paintings featuring representations of middle-America, interior spaces and manicured semi-private outdoor spaces that suggest a relative level of comfort and social acceptance.
