a juried group show featuring a range of art works inspired by the concept of "selfie." Spalti said, "We thought it would be fun and interesting to explore the psychology of selfies, so we've invited regional artists to open up and show us their true selves – at a given moment. "I think a selfie is 'in the moment,' a representation of where the artist is at that moment rather than a formal portrait. I'm finding that people are taking the idea of 'selfie' in different directions, and I love that!" The show features 25+ works in a range of media including photography, mixed media, acrylic, and more. Spalti adds, "Some are straight forward, and others are more contemplative. **Ongoing** - Sunset River Gallery is a gallery where art lovers and investors at almost every level can find extraordinary art.
