Visual & Verse

ART MEETS POETRY

OPENING RECEPTION: MARCH 21, 6-8 PM

A project that merges art and words through Ekphrastic Poetry, a form inspired by artistic mediums. Local poets craft verse in response to local visual artists' interpretation of an open-ended prompt, "a sense of place". The culmination of this endeavor will be an exhibition of the artwork alongside its corresponding poem and poetry readings at the opening reception.

Landscapes of the American West

STEVE COURCHAINÉ

Artist Steve Courchainé has traveled throughout the American West, collecting reference material with photography and practicing plein air painting. Inspired by the vast western landscape, he observed the clarity of sunlight in the west increases the color saturation found in nature there versus what you might see in the east. This exhibit represents those experiences.
