## FLAT OUT UNDER PRESSURE

Exhibit Dates: June 16th - July 13th, 2018

Come see an exhibit of artwork, all created in just 24 hours!

The ninth annual Flat Out Under Pressure competition kicks off on Friday, June 15th. Artists will come to MAC to have their canvases, papers and panels stamped with the FOUP logo. 24 hours later they will return with the same stamped media as a completed work of art.

That evening, the show will be juried and hung as an exhibit. Eight winners will be chosen to have their work reproduced on one of Greenville's downtown recycling bins next year.
